EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Samuel G. Campbell, III, Reg. No. 42,381 on February 10, 2006.

2. The application has been amended as follows:

In the claim:

16. A computer user interface for allocating processing resources comprising:
first instructions for allocating the processing resources by enabling a user to
specify a type of operating system from a plurality of types of operating
systems for use in a computing environment; and
second instructions for enabling the user to specify a type of processor from a
plurality of types of processors for use in the computing environment,
wherein
the computer user interface is configured to create the computing
environment, and
the computing environment comprises the specified type of operating
system of the plurality of types of operating systems and the
specified type of processor of the plurality of types of processors.
